

WHEN: March 5-6, 2002

WHERE: Holiday Inn Capitol Plaza, Sacramento, CA

To attend the Workshop as an observer, call EPA's contractor, Eastern Research Group, Inc. (ERG) at 781-674-7374 or send an e-mail to meetings@erg.com, Be sure to include your complete address information, including phone, fax, e-mail, job title., and whether you plan to make comments. The cut-off date for pre-registration is Monday, February 25, 2002. Time will be set aside each day to hear observer comments on the draft document. If you wish to make comments at the workshop, you must notify ERG upon registering. The time allotted for individual observers' comments will be limited based on the number of persons signed up to speak.

Written comments should be submitted to ERG, Inc., 110 Hartwell Avenue, Lexington, MA 02421-3136. If your comments are UNDER 50 pages, you may submit them as an e-mail attachment (in Word, WordPerfect or .PDF) to meetings@erg.com. Written comments must be postmarked by the end of the public comment period of February 19, 2002. Please note that all technical comments received in response to this notice will be placed in a public record. For this reason, do not submit personal information, confidential business information, or information protected by copyright. Due to limited resources, acknowledgements will not be sent.

To obtain a copy of the review document, visit the EPA web site at <a href="http://www.epa.gov/ncea">http://www.epa.gov/ncea</a>. In addition, a CD containing documents cited in the "Perchlorate Environmental Contamination: Toxicological Review and Risk Characterization" report will be available by request at EPA's Superfund Records Center at 415-536-2000. A shipping and handling fee may apply. The document and CD are NOT available from ERG, Inc.
